Please see the two attached letters on our website to see how you can engage with this project.

Please be assured that your readings and news sheets have been delivered by the curate using gloves throughout the printing process and the delivery.

Corona Latest

Last updated Maundy Thursday

Following the Prime Minister's announcement of 23rd March, the Archbishops have written to clergy in support of the measures and again on 27 March, requiring that churches must now close both for private worship and public services. Our church buildings are therefore now closed for public worship, private prayer and all other meetings and activities except for vital community services until further notice.

Prayer Breakfast at Beeches

Was scheduled to gather on the 4th. This will be off until further notice.

Notes on 'Diary Dates'

Please note that the list of dates & services are what we have in the calendar before the pandemic hit. Many if not all of these will be postponed or cancelled. I record them for myself as much as anybody else to give me some structure and sense of continuity. Certainly the APCM will be postponed. Our hope is that those responsible for drafting the new parish profile will have the time and opportunity to really nestle down and get some of the leg work done so an appointment can be made as soon as is possible.

Reflection

See enclosed Easter article

I know the nature of these reflections are personal but should you have something to share then email them to me and we can put them on the website for others to read.

Finances

We have sent a letter to St. Margaret's nearest neighbours wishing them a happy Easter on behalf of the parish. Additionally we direct them to our website where they can make donations for the upkeep of the

Church and Churchyard. We enclose a letter to you with a similar intention. Thank you for reading it and we hope you may be able to support us.
